EXPERIENCE

Fullstack Developer, Intern

Hellenic Parliament

 July 2019 – October 2019 📍 Athens, Greece

- Designed & developed from scratch a fully-functioning inventory-managing web application.
- Automated the process of [election statistics extraction](#) from Excel input files & the presentation of the results.

Software Engineer, Intern

NIKE Inc.

 August 2020 – August 2021 📍 Hilversum, The Netherlands

- **Side Project:** Automatically generate video subtitles using Amazon Transcribe
- **Globalization team**(localization of Nike content): Directly contribute to the UI and Microservices of the platform built by the team

PROJECTS

k31- Compilers

 May 2019

- **Description**
The whole process of building a compiler, from creating an internal AST representation of the program to Intermediate Code generation this is a three part project developed for course k31-compilers of di.uoa in Spring 2019. I think that the 3rd part, building a mini-java compiler using Java is really something to take pride in.
- **Techs & Languages**
Java, bash, LLVM, JFlex, JavaCUP, JTB, VisitorPattern, JavaCC, Git, Markdown

Linux Programming

 March 2019 – July 2019

- **Description**
A three-part series of C applications, using the Linux API.
- **Techs & Languages**
C, Bash, Linux API, Git, LaTeX, Markdown

LANGUAGES

English
German

CERTIFICATES

GOETHE ZERTIFIKAT B1: Goethe Institut

 Jan 2012

ECPE: University of Michigan

 Jun 2013

EDUCATION

B.Sc at DIT of UoA, Greece

 Oct 2015 – Sep 2020

Coursework – Most Relevant

Course	Grade
Algorithms & Complexity	9
Compilers	9
OO Programming	10
Operating Systems	10
System Programming	10

PROGRAMMING SKILLS

C, Linux, bash, gdb, valgrind	●●●●●
Java	●●●●●
Git	●●●●●
C++, Python	●●●●●

- Have also worked with
 - LaTeX
 - MATLAB
 - SQL
 - SpringBoot
 - AWS
 - Docker
 - Jenkins
 - React.js
 - Redux
 - Apollo
 - GraphQL
 - Haskell
 - Prolog
 - UML
 - zsh

- Development Tools – IDE

VS Code IntelliJ

SOFTSKILLS

- Learning potential
- Discipline
- Time management
- Professionalism
- Work ethic
- Communication skills
